IX. Videowall Project Summary

Installing of 339 LED video walls by Government of Rajasthan across District and Block Headquarters is a clear push toward bridging the information gap and fostering transparency between the government and citizens.

 Purpose & Impact of the LED Video Walls

Informative Broadcasting: Showcasing government schemes, innovations, and welfare programs directly to local communities.

Live Coverage: Enabling citizens to witness important government events and initiatives as they happen.

Decentralized Access: Reaching people at DHQ, BHQ, and Panchayat Samiti levels—enhancing civic awareness even in rural areas.

Digital Inclusion: Promotes equal access to information across all regions of Rajasthan.

This initiative aligns well with the state's broader e-Governance momentum and bringing governance closer to the people.

X. Rajasthan Payment Platform (RPP)

One more step towards compliance with the e-Governance vision of the State, a common platform named - Rajasthan Payment Platform - has been developed in FY 2016-17 to take care all payments and disbursement needs of Government Departments and PSUs under the aegis of Government of Rajasthan. Rajasthan Payment Platform (RPP) is integrated with Banks, Mobile Wallets, Credit Cards, Debit Cards, UPI and Bharat QR service providers for smooth electronic & mobile payments.

RPP facilitates departments and PSU's for two-way electronic payments. Residents can pay taxes, utility bills, fees etc. to concerned department with complete flexibility of payment mode of their choice. Similarly, departments can disburse funds to beneficiaries, vendors and others in a seamless and integrated way.

XII. Jan Soochna Portal

Launched on 13th September 2019, the Jansoochna Portal is a pioneering initiative to promote transparency and empower citizens with easy access to government scheme information.

Starting with 13 departments and 23 schemes, it now provides 745 types of information across 349 schemes from 117 departments. With over 24.08 crore visitors and 43.85 crore downloads, the portal has become a vital tool for public access.

It also enables scheme penetration tracking for 23 key schemes down to the Gram Panchayat level through integration with the Jan Aadhaar system.

Ongoing efforts focus on continually refining the portal based on departmental suggestions, aiming to make it even more user-friendly and convenient for citizens to access essential government services.

XIII. Raj-Kaj Introduction

RajKaj is a next generation Integrated IT platform to enhance office productivity and streamlining internal processes associated with service delivery to govt. users. The platform is an Enterprise Platform providing common capabilities and re-usable components to provide an electronic and collaborative workplace. It comprises of automated processes which have been built in compliance to Government policies and procedures providing an efficient and transparent workspace. The Main Objectives of system are as under:

1. Single platform for all Government Department users up to last mile
2. One stop place for all employees for all common functions and roles
3. Efficient communication among Departments
4. Improved Decision Making and Operational Efficiency and effectiveness
5. Improved Knowledge Management practices
6. Multi-level workflow enabled automated processes – No post-facto decision/ information capturing and reporting
7. Focus on integration – Information, Data sharing and exchanging with other e-Governance application
8. User friendly and Intuitive system

RajKaj is established to ensure an integrated office automation platform which provides unified information of office/system. It serves as a decision support system which not only provides data entry and reporting but entire workflow. RajKaj is a platform which innovatively keeps all the information of functions and roles of employees.

RajKaj at a Glance

Salient Features

- End-to-end Processes Automation– No post Facto information/secondary data Entry
- Removal/reduction in files or paper-based processing
- Multi-level Workflow (Process, office level)

RajCOMP Info Services Ltd.

- Delegation of Work (Process Level- right delegation to other for taking action on behalf)
- Information Sharing/Exchanging among modules/processes and third-party systems
- Auto work reallocation and work flow management (in case of role change or transfer)
- Bi-Lingual (Meta Data captured in Hindi and English both)
- Integrated with E-Sign and e-Vault
- Auto generation of UO Note/ Orders through standard global templates
- Fully integrated SMS, E-Mail Intimations and SMS/SMTP Integrations

Major Modules/Process implemented

- eFile Management
- PUC/DaK Receipt and Dispatch Management
- Annual Appraisal Performance Report (APAR) with Auto forward feature
- Immovable Property Return (IPR)
- Leave Management (All types of leaves)&Leave Encashment
- NOCs (Foreign visit, Passport, Competition Exam, Higher Studies)
- Government Accommodation Apply & Allotment
- Store Management
- Cabinet Meeting Management
- Organization &Employee Information System (EIS)

Implementation Status

- Administrative Departments – 78
- Organizations – 430+
- Employees – 9.8+Lac
- Major Module-wise Transactions:
 - File Tracking & e-File Management – 27.38+ Lac
 - Dak/ Receipts & Dispatch Management – 38.71+ Lac
 - Annual Performance Appraisal Report – 11.97+ Lac
 - Annual Immovable Property Return – 43.98+ Lac
 - Leave & Leave Encashment – 16.15+ Lac
 - No Objection Certificate – 27.87+ K
 - Government Accommodation Management – 4.6+ K

RajCOMP Info Services Ltd.

Benefits of the solution implemented

- Significant savings has been resulted in terms of Operational Cost
- Overall efficiency & productivity has been increased.
- Issues like inconsistent data/ambiguous Information has been overcome
- Availability of updated information on real time basis

Outcomes of the project

- The application is accessed through the web, at anytime, anywhere, using any device like PC, Laptops, Mobile, and Tablets & hence office works can be disposed 24 x 7 anywhere
- Major employee-related services like leave, leave encashment, APR, NOC, File, Dak, Telephone reimbursement, Training, and Tour are being transacted electronically in real-time.
- All office processes like organization management, Employee management (creation, mapping with post and offices), auto-updating of leave balances, Transfer and posting, Cabinet meeting management, etc are being transacted electronically.
- Availability of real-time information and paperless process.

Future expansion plans: Development of Rajkaj v2 with following features

- Service oriented application.
- Faceless & Paperless process automation.
- Independent services for enterprise and individual.
- Use of disrupting technologies like AI/ML, robotics, block chain, cloud services and wearable devices.
- Decision support system without manual intervention.

XIV. Financial Inclusion Gateway (FIG)

The Financial Inclusion Gateway (FIG) project in Rajasthan is a pivotal initiative designed to bring essential banking services directly to the underprivileged, particularly in remote rural areas. Recognizing the significant portion of the population lacking access to traditional banking infrastructure, the FIG acts as a comprehensive banking environment.

RajCOMP Info Services Ltd.

Its core functions include customer enrolment, efficient transaction processing, robust account management, and effective device management. The platform seamlessly integrates various tools such as biometric devices, smart cards, Point of Sale (POS) terminals, and micro-ATMs to facilitate micro-banking services.

The benefits of the FIG Gateway are far-reaching: it ensures access to crucial services even in the most remote parts of Rajasthan, enables farmers to conveniently apply for loans close to their homes, and automates the entire loan processing system. This automation ensures that funds are deposited directly into the beneficiaries' accounts, and withdrawals can be easily made through ATMs/micro-ATMs using RuPay debit/Kisan cards, AEPS, or withdrawal forms at bank branches.

Key Statistics – Transactions and Users

Transaction Type	Number (in Crores)	Total Amount (in Crores)
Non-Financial	4.47	
Financial	4.64	131188.69

1. A total of 11,000+ PACS are operational for financial and loan-related activities.
2. Over 18,000 e-Mitra kiosk holders are active in the system for financial transactions.

XV. Raj-eSign

Raj-eSign (Electronic Signature) Service is an innovative initiative for allowing easy, efficient, and secure signing of electronic documents by authenticating signer using UIDAI e-KYC services. Applications can integrate this service to offer AADHAR holders a way to sign electronic forms and documents. It is envisaged that to ensure efficiency, reliability and transparency, and towards the mission of paperless service delivery, Raj-eSign shall act as the secure electronic

RajCOMP Info Services Ltd.

signature mechanism based on AADHAAR authentication, which shall not only ensure authenticity of documents, but also help towards paperless office and public services automation.

RISL obtained its Certifying Authority (CA) license on September 19, 2019, which authorized it to provide eSign and Digital Signature Certificate (DSC) services. The CA eSign System, developed by RajCOMP, is currently utilized by over 40 Government Departments and Public Sector Undertakings (PSUs), processing in excess of 300,000 eSign transactions monthly.

Complementing its eSign services, RISL has also deployed a Registration Authority (RA) portal for DSC issuance. RISL intends to expand the provision of both eSign and DSC services to a wider array of government and private organizations on a chargeable basis. To date, RISL has issued more than 50 Digital Signature Certificates and implemented 4 Document Signers.

XVI. RajERP (एन्टरप्राइज रिसोर्स प्लॉनिंग)

परियोजना का परिचय:— RISL द्वारा विकसित RajERP Project राज्य सरकार के SAB/PSU उपक्रमों के कार्यों एवं गतिविधियों के परिचालन की दक्षता बढ़ाने के लिए डिजाइन किया गया है। RajERP का लक्ष्य विभागीय कार्यों को एक सामान्य प्लेटफार्म का उपयोग करके एक ही सिस्टम में एकीकृत करना है।

RajCOMP Info Services Ltd.

परियोजना का उद्देश्य:- राज-ईआरपी में कुशल सेवा वितरण के लिए विभिन्न इंटरफेस के साथ मॉड्यूल विकसित किये गये हैं। सभी मॉड्यूल एक दूसरे से एकीकृत हैं। एकीकृत मॉड्यूल के माध्यम से सार्वजनिक क्षेत्र की प्रक्रियाओं को सुव्यवस्थित, एकीकृत डेटा बनाए रखने व आवश्यकताओं को पूरा करने हेतु विकसित किया गया है। राज-ईआरपी में निम्नानुसार मॉड्यूल विकसित किये गये हैं:-

S.N.	Modules	Sub Modules
1	मानव संसाधन मेनेजमेन्ट HRMS (Human Resource Management)	आर्गनाइजेशन स्ट्रक्चर, एम्प्लॉय एन्रोलमेन्ट, एम्प्लॉय प्रोफाइल। एम्प्लॉय सेल्फ सर्विस, लीव मेनेजमेन्ट, उपस्थिति मेनेजमेन्ट, शिफ्ट मेनेजमेन्ट, वेतन वृद्धि, ट्रांसफर, प्रतिनियुक्ति, इन/ आउट प्रतिनियुक्ति, जॉइनिंग/रिलीविंग, पदोन्नति, वेतन निर्धारण, आयकर, एसीपी, पृथक्करण, बिल रिम्बर्समेन्ट इत्यादि।
2	लेखा एवं वित्त मेनेजमेन्ट FA (Accounts and Finance Management)	वाउचर। एडवॉन्स बिलिंग। वेन्डर/सप्लायर मेनेजमेन्ट। सेल/परचेज इन्वॉइस। बजट प्रक्रिया। टैक्स कम्पोनेन्ट। डेबिट नोट और क्रेडिट नोट, सबसिड्यरी मेनेजमेन्ट, ओपनिंग बैलेंस मेनेजमेन्ट, बुक क्लोजिंग इत्यादि।
3	कार्य निगरानी और परियोजना मेनेजमेन्ट WPM (Works Monitoring and Project Management)	प्लानिंग एस्टीमेशन और सेक्शन मेनेजमेन्ट, टेन्डर मेनेजमेन्ट, आर्डर मेनेजमेन्ट, कार्य निष्पादन, बिल मेनेजमेन्ट, रिफन्ड मेनेजमेन्ट, गारंटी मेनेजमेन्ट, सर्विस आइटम मेनेजमेन्ट, बीएसआर आइटम, नॉन-बीएसआर आइटम, मास्टर कॉन्फिगरेशन, एमआईएस इत्यादि।
4	सामग्री मेनेजमेन्ट एवं खरीद MM (Material Management Procurement)	डिमांड प्लानिंग, प्रोक्यूरमेन्ट मेनेजमेन्ट, रसीद और निरीक्षण, चालान और भुगतान, समस्याएँ और उपभोग, मेन्टिनेंस और रिपेयर, डिस्पोजल, कॉन्फिगरेशन मास्टर, एमआईएस और रिपोर्टिंग, अन्य मॉड्यूल के साथ इन्टीग्रेशन इत्यादि।
5	बिक्री और विपणन मॉड्यूल SM (Sales & Marketing Module)	प्रोडक्शन रजिस्ट्रेशन, कस्टमर मेनेजमेन्ट, परचेज आर्डर, कान्ट्रैक्ट रिलीज आर्डर, डिस्पेच प्रोसेस, वित्तीय गतिविधियाँ, डेबिट नोट प्रक्रिया, रसीद, स्टॉक का स्थानांतरण, लीज मेनेजमेन्ट, चालान, एजेंट पंजीकरण, कन्जूर पोर्टल इत्यादि।
6	अंशदायी भविष्य निधि मेनेजमेन्ट CPM (Contributory Provident Fund Management)	इन्वेस्टमेंट, लाभार्थी, सामान्य लेखा, कॉन्फिगरेशन, रिपोर्ट इत्यादि।

परियोजना का लाभ

1. राज ईआरपी में विकसित सभी मॉड्यूल एक दूसरे से एकीकृत हैं और संगठनात्मक मेनेजमेन्ट के सभी महत्वपूर्ण पहलुओं को कवर करने के लिए डिजाइन किए गए हैं
2. ईआरपी संगठन के भीतर विभिन्न परिचालन आवश्यकताओं और परिवर्तनों के अनुकूल हो सकता है। यह सुनिश्चित करता है कि ईआरपी प्रणाली सही ढंग से स्थापित है और सभी उपयोगकर्ता इसका उपयोग करने में कुशल हैं।
3. यह सुविधा कुशल सेवा वितरण के लिए विभिन्न इंटरफेस और संचार चैनलों का समर्थन करती है।
4. राजईआरपी विशेष रूप से संसाधनों, वित्तीय लेनदेन और संचालन में विनियामक अनुपालन का समर्थन करता है। यह पारदर्शिता सुनिश्चित करता है।
5. राजईआरपी वास्तविक समय अपडेट और डेटा-संचालित अंतर्दृष्टि प्रदान करता है। यह संचालन को गतिशील और कुशलता से प्रबंधित करने के लिए महत्वपूर्ण है। विभिन्न संगठनों की जरूरतों के अनुसार फॉर्म को कस्टमाइज किया जा सकता है।
6. सिस्टम संगठनात्मक आवश्यकताओं के लिए किसी भी प्रकार के वर्कफ्लो को कॉन्फिगर करने की अनुमति देता है, जो ऑडिट ट्रेल्स और मॉनिटरिंग क्षमताओं के साथ पूरा होता है।
7. 200 से अधिक मेनेजमेन्ट सूचना प्रणालियों (एमआईएस) के लिए एकीकरण क्षमताओं के साथ व्यापक, वर्णनात्मक और दृश्य डैशबोर्ड प्रदान करता है।

परियोजना की विशेषतायें

एकीकृत मॉड्यूल, अनुकूलन और लचीलापन, व्यापक कार्यान्वयन सेवाएँ, मल्टीचैनल सेवा वितरण, कार्य श्रेष्ठता, पारदर्शिता और अनुपालन, वास्तविक समय डेटा और विश्लेषण, मापनीयता और अनुकूलन, कॉन्फिगर करने योग्य वर्कफ्लोज, उन्नत डैशबोर्ड क्षमताएं, साइबर सुरक्षा, बैकअप और आपदा रिकवरी व बाह्य उपयोगिता एकीकरण इत्यादि।

XVII.CMWMS (Works Management System)

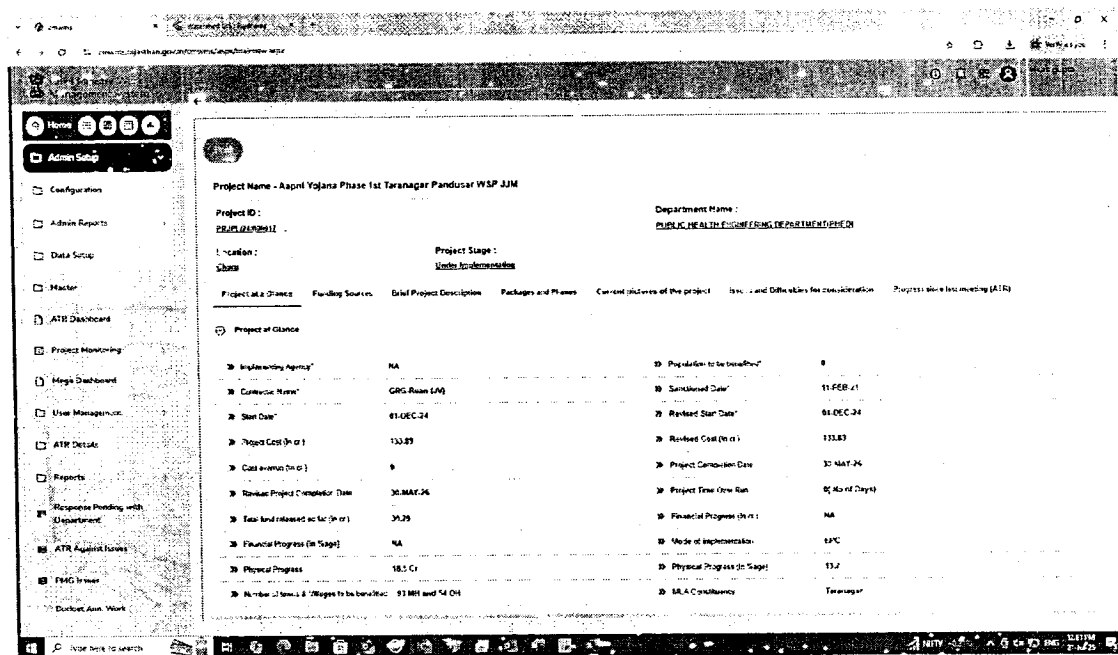

Summary

The CMWMS is a digital platform developed to monitor and track infrastructure-related projects under state budget announcements and mega projects (costing ₹100 crore and above) across various departments. It is actively used by the Chief Minister's Office, Planning Department, and other state bodies, and is also integrated with the PM-Pragati portal for central government-level project tracking.

RajCOMP Info Services Ltd.

Key Modules & Features

1. **User Management:** - Department can map user and edit user details.
2. **Budget Announcement Module** - Tracks infrastructure projects announced in the state budget across years.
3. **Dashboards** - Provide real-time insights and department-level monitoring.
4. **Mega Project** - Enables departments to add, update, and track projects over ₹100 crore, including their progress phase.
5. **Issue Tracking:** Department can add issues related to any project to any other concerned department. Following which concerned department can reply to the issue raised.
6. **ATR (Action Taken Report)** - Department can generate ATR. ATR are of two types: -
 - o Project Specific ATR - Department will generate Project related direction to another concerned departments from this screen.
 - o General ATR - Planning department will create a general direction to another concerned department.
7. **ATR Reports:** - Under these reports, the department can view the general direction and project specific direction which have been generated and can also view the reply which has been given by the concerned department to them.
8. **ATR Dashboard:** - In the ATR dashboard, when the department generates general and project specific direction to any nodal department and concern department, then the pending direction and pending issue are shown to the nodal department in the ATR dashboard and the end user can reply to it by clicking on the count.
9. **PMG Issue:** - Issues are fetched via API from the central Project Monitoring Group (PMG) software.

XVIII. Integrated Watershed Management System (IWMS)

The Integrated Watershed Management System (IWMS) initiative was created to oversee all programs connected to watersheds under several related schemes. This enhances effective scheme monitoring and internal efficiency. The application functions as a centralized information source for several schemes, including PMKSY, MJSa 2.0, RGJSY, IWMP etc.

The IWMS have following components: -

1. Web Application for Integrated Works Management System (IWMS)
2. Mobile Application for "TWMS"
3. GIS based application on RajDharaa

1. Web Application.

The following capabilities are available in the application:

RajCOMP Info Services Ltd.

Create Project (at the block level, pick communities), Add information on the settlements' water and demographic needs approval of the intended work flow. The creation of DPRs and sanctions, work orders, allocation of work for inspection and compliance filling, CC generation, kind donation work flow, event management for IEC activities, expense entry, user management, dashboards, MIS reports, and more are all done at the village and block level.

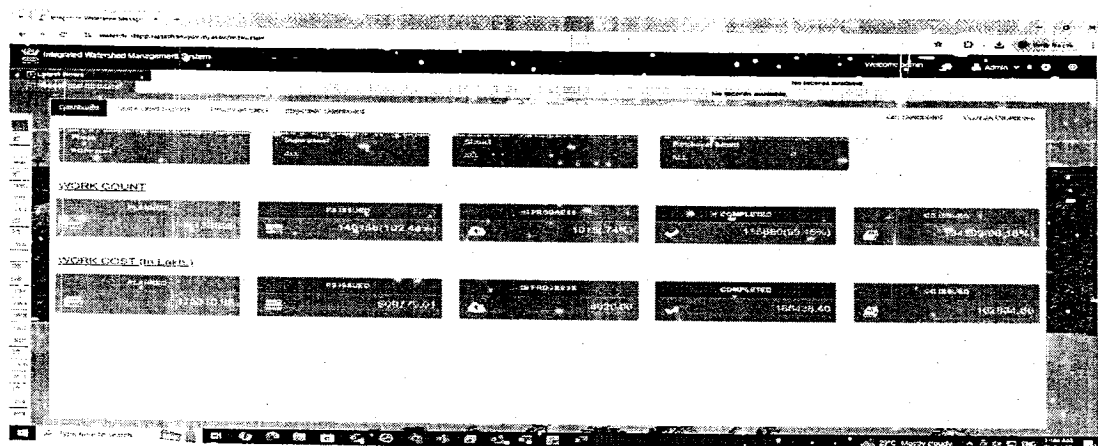

2. Mobile Application for "MJSA"

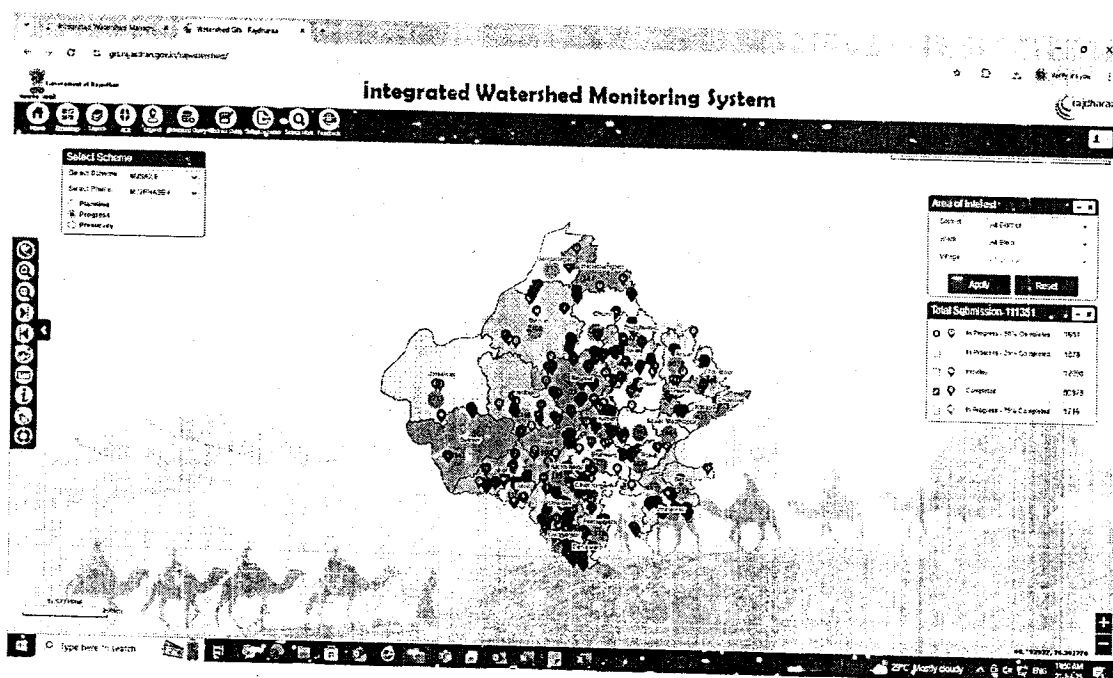

Fully integrated web application software (two-way communication) with provisions to: -

- a. Pre Survey of existing structures
- b. Work Planning after initiating route
- c. Work progress capturing with Geo Tag images at different stages
- d. Inspection through individuals and groups
- e. Event and IEC activity capturing along with Photographs

3. GIS Application "Rajdharaa"

- a. Dynamic selection of Schemes and Phases.
- b. Availability of all Geo Tag images related to Pre Survey, Planning and Work Progress Monitoring along with relevant attributes.
- c. Report generation with the help of AOI (Area of Interest) and Advance Query.

XIX. RajFAB Application Software

According to the new law, the Occupation Safety, Health and Working Conditions Code, 2020, which was announced by the Indian government, the Factory & Boiler (F&B) department is working toward a system that is cashless, paperless, and person less. The F&B department needs a strong and technically competent online infrastructure in order to accomplish these aims.

For this reason, the RajFAB application offers online services to businesses with factories and boilers. It is also integrated with the RajNivesh Portal for daily services and is very important for introducing new modifications and making doing business easier.

Brief description of requirements of Factories and Boilers Inspection department for software development are given below: -

a. **RajNivesh Portal and Business Reform Action Plan (BRAP):** The RajFAB web application software is constantly being modified to conform to the regulations of the Government of India's BRAP and the RajNivesh

RajCOMP Info Services Ltd.

Portal, which were created by GoR. It is anticipated that new RajNivesh BRAPs provisions will be made available in the upcoming years.

- b. **Business re-engineering:** RajFAB web application software must occasionally contain Acts, Rules, and Regulation revisions for business re-engineering and simplification in order to receive approvals.
- c. **Feedbacks and support:** The RajFAB web application software includes an online feedback and support system built in so that any citizen can report technical issues and provide new features to enhance the different online approval processes at any time.
- d. **Incorporation of latest web standards:** According to government directives, significant software development and technical overhauls are occasionally required to integrate the newest web standards into the online application.
- e. **Stabilization and further development of RajFAB web application software and mobile application:** Processes such as application process systems, document management systems, NIC code management systems, reporting systems, and workflow processes with security standards should be reorganized in accordance with EoDB (Ease of Doing Business) requirements.

XX. e-Mitra: Integrated eService Delivery Platform (Effective Governance, Better Citizen Services)

Committed to quick and convenient delivery of citizen services, Government of Rajasthan has set up the e-Mitra platform.

Objective is to deliver citizen centric services of government as permissible under the Law of Land at the doorstep of common man in a transparent and cost effective manner. *The idea is to link the residents of the State, especially in the rural areas, to a basket of information and services through an IT-enabled service delivery interface.*

Residents can avail e-Mitra services through multiple channels:

- IT enabled physical kiosks

RajCOMP Info Services Ltd.

- Online web-based e-Mitra application (<http://emitra.rajasthan.gov.in>),
- e-Mitra mobile app available in Windows, iOS and Android versions that can be downloaded from e-Mitra application or Google Play Store
- Interactive Automatic e-Mitra Plus Service ATMs

Features

- A self-sustained model based on per transaction service charges. State Government funding till March 2016
- Service charges are either borne by the applicant/citizen or by the corresponding department
- No revenue assistance/ viability gap funding
- Anytime-Anywhere-Service (different platforms like web, mobile, kiosk) reducing cost of travel and saves time.
- Reduced footfall in government offices, with service delivery closer-to-home.
- Empowering women by providing them business opportunities, generate employment opportunities for people till grass roots.
- Service delivery on FIFO (First in-First out) basis.
- Easy record keeping/online document management system.
- Time bound Service Delivery.

Current status:

- 78,000 plus e-Mitra kiosks
- 600+ G2C and B2C services (Utility, applications, IRCTC, Income tax return filing, banking, insurance, home loans, medical consultancy, education, agriculture etc.)
- 70-80 lac transactions per month.

In 2008 - 2009, Government of India (GoI) also adopted e-Mitra concept and came up with the "Common Service Centre (CSC) scheme as one of the mission mode project for delivery of all essential G2C & B2C services across country. The basis of setting up CSC was 1 CSC per 6 Villages and providing minimum revenue support / viability grant.

1. *Government of Rajasthan didn't agree to the per month committed liability in the form of Revenue Support and decided to close the CSC project in State in 2015.*

RajCOMP Info Services Ltd.

2. Out of 6 lac CSCs, 95,000 are e-Mitras (80,000 physical e-Mitra kiosks + 15,000 e-Mitra Plus Service ATMs) i.e. 16% of the CSCs are actually e-Mitras of Rajasthan]

Major New Initiatives under the project are as under:

1. Truly Digital - Revamped e-Mitra application:

Go Live of redesigned, revamped e-Mitra Suite on micro-service-based architecture

2. Smart Governance -

e-Mitra is progressing towards Smart governance by way of Government Process Reengineering to make hassle-free and convenient service delivery. Mobile App has been revamped to a lighter and user-friendly version. Service delivery through multi-lingual conversational AI Chatbot and Whatsapp has been initiated for the ease of common man.

3. Time bound service delivery -

Performance Dashboard for Tehsildars and SDM on eMitra Mobile Application for core services (workflow available on eMitra). Disposal of applications from mobile application for express delivery in first phase and subsequently for all applications.

District Review & Monitoring through monitoring report to measure KPIs

4. Promotional Activities

Bidding For Ad on e-Mitra: Online bidding by B2C partners for advertising their services on e-Mitra platform, creating awareness among the Kiosks. This is also an added opportunity of revenue generation for RISL.

Advertisements on e-Mitra Receipts.

5. RFP for Selection of Service Providers to set up and manage e-Mitra kiosks (urban and rural) under e-Mitra Project in the state of Rajasthan LSP floated in July 2025 where division wise rates have been invited with the objective of discovering LSP commission rates.

RajCOMP Info Services Ltd.

XXI. RajVC (State wide Video Conferencing Facility and Telepresence Solution in Rajasthan)

RajVC project provides video conferencing facility across Rajasthan upto Block level and different department. HQs. More than 750+ fully furnished VC studios are operational. New VC studios are also being setup in municipal towns. Replicated Centralised Control System is installed at DR site to cater the services in case of system failure at SDC.

Telepresence is an upgraded version of VC facility which provides Real time, true life-size experience, offering experience of being present in the same room. 8 Fully equipped Telepresence studios are operational at all Divisional HQs and BSDC, Jaipur. The project is under O&M phase from 01-04-2019.

With the help of client software called Jabber, users can also connect through smart devices and via Internet by entering credentials for authentication. Multiple concurrent VCs are supported, i.e. each district can have its own VC without affecting VCs in other districts.

For VC sessions, requests are to be raised via Sampark portal by login through SSO id or by calling VC helpdesk.

Work carried out during FY 2024-25 :-

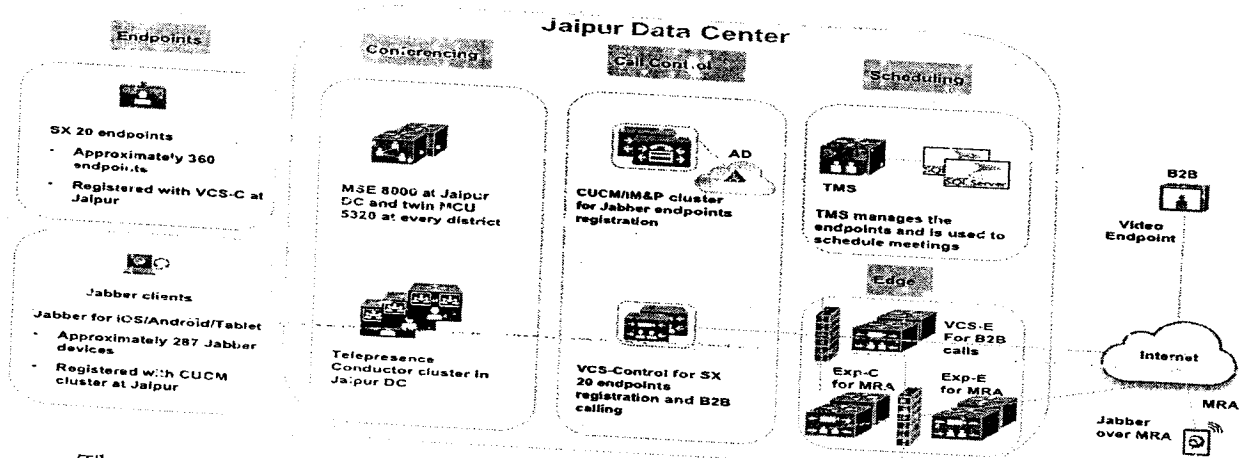

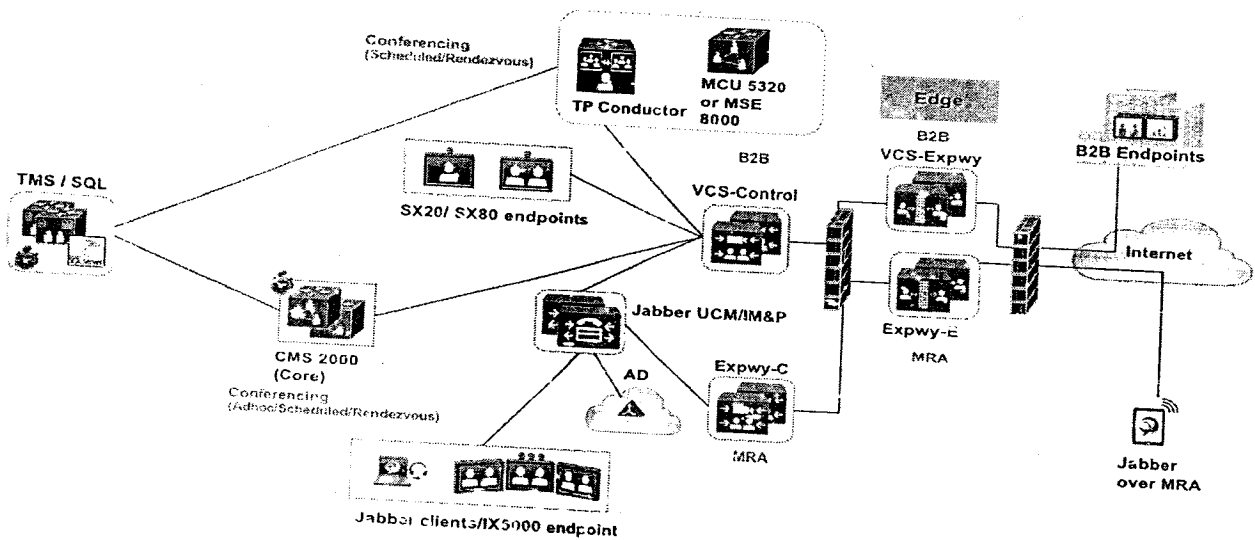

- 20 new VC studios have been setup in FY 2024-25
- Daily monitoring of challenges faced in field during O&M phase of project.
- Finding the solution for the issues faced during the O&M of the project & take necessary action to resolve the issue.
- Approx. 3377+ video conferencing sessions have been organized in the FY 2024-25.
- All the VC servers have been fully upgraded.

Independent Auditor's Report

To the Members of
RAJCOMP INFO SERVICES LIMITED

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the standalone financial statements of **RAJCOMP INFO SERVICES LIMITED** ("the company"), which comprises the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss and cash flow Statement for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred as 'standalone financial statements').

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the basis of qualified opinion paragraph below, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act'), in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2025, and its **Profit** and its cash flow for the year ended on that date.

Basis of Qualified Opinion

The company has not provided the matters as mentioned in **Annexure – 1** of the audit report.

Further, we are unable to obtain sufficient appropriate audit evidence in relation to matters mentioned in **Annexure 1** of the audit report.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in *the Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other Than the Standalone Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to the Board's Report, Management Discussion and Analysis, Business Responsibility and Sustainability Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditors' report thereon. The other information is expected to be made available to us after the date of this auditors' report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditors' responsibilities relating to other Information'. We have nothing to report in this regard.

Emphasis of Matters

We draw attention to the matters as mentioned in **Annexure 2** of the audit report. Our opinion is not modified in respect of these matters.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act and the rules thereunder, as amended. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended 31st March, 2025 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We are independent of the group in accordance with the ethical requirements that are relevant to our audit of Financial Statements and we have fulfilled our ethical responsibilities in accordance with these requirements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure 3**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(5) of the Companies Act 2013 we give a statement on the compliance to the directions issued by Comptroller and Auditor General of India in the **Annexure 4**.
3. As required by Section 143(3) of the Act, we report that:
 - (a) Except for the effects of the matters described in the Basis of Qualified Opinion paragraph, We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

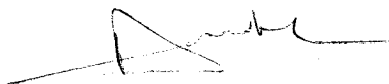

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss and cash flow statement for the year ended dealt with by this Report are in agreement with the books of account.
- (d) Except for the effects of the matters described in the Basis of Qualified Opinion paragraph, In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act and the Rules thereunder, as amended.
- (e) Being a Government Company it is being exempted from applicability of section 164(2) of Companies Act 2013 vide Notification dated 5th July 2015.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 5".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of sub-section (16) of Section 197 of the Act, as amended, we report that in terms of MCA notification no. G.S.R. 463E dated 5th June 2015 provisions of section 197 are not applicable to the company. Hence reporting as per section 197(16) is not required.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has not disclosed the impact of pending litigations on its Financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no amount which were required to be transferred, to the Investor Education and Protection Fund by the Company.
- (i) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entities ("Funding Parties") with the understanding,

whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (i) and (ii) of Rule 11(e) contain any material misstatement.
- (j) The Company has not declared nor proposed or paid any dividend during the year and therefore compliance under section 123 of the Act is not applicable to the Company.
- (k) Based on our examination which includes test checks, the company has not used accounting software for maintaining its books of accounts with an audit trail (edit log) feature throughout the year as required under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT

BASIS OF QUALIFIED OPINION

1. The company has advanced funds to various entities for various projects, out of these several advances are neither adjusted nor recovered and are lying as advances from many years in the books of company. As a result of these matters, we are unable to determine as to whether any adjustment that would have been necessary and required to be made in respect of receivables, advances and balances of projects, current liabilities and contingent liabilities as at 31st March 2025, and in respect of corresponding possible impact of such items and associated elements on the Statement of Profit and Loss and the Cash Flow Statement for the year ended on that date.
2. Creditors Outstanding for long time and unreconciled also balance confirmations are not available with the company, hence we cannot form our opinion on this matter.
3. The Company is not periodically reviewing the classification of the trade receivables as doubtful or good. This may have an impact on non-provisioning against assets which are in actuality doubtful but still classified as good. In the absence of sufficient appropriate evidence, we are unable to quantify the possible impact on the accompanying financial statements. There are debtors amounting to Rs. 38.72 Crores which are receivable for more than 3 years (As mentioned in Note 12 OF NOTES ON FINANCIAL STATEMENTS) & even after request to the company we have not been provided confirmation from those debtors.
4. The company has acknowledged pending cases as contingent liability in Para B2 & Para 22 in Note 24 (SIGNIFICANT ACCOUNTING POLICIES / PRACTICES WITH OTHER NOTES ON ACCOUNTS) OF NOTES ON FINANCIAL STATEMENTS.
5. The company is functioning as a pure agent but there are some instances in past where the Company Purchases Goods and Services under its own name and subsequently, debiting the bill amount to parties account for whom the goods or services are acquired. Earlier department of service taxes has raised a demand due to this practice. While similar demands from the GST

department may arise in future, but the extant of impact on financial statements cannot be determined.

6. No provision has been made for interest payable for delayed payment to MSME creditors as per MSMED Act. In the absence of sufficient appropriate evidence, we are unable to quantify the possible impact on the accompanying financial statements.
7. The company provided internal audit report which is unreliable as it is not properly sealed or signed by appointed auditor. Additionally, the report does not mention the date of signing and does not include the UDIN number issued by ICAI. Hence we are in opinion there is no internal audit is conducted.
8. The company's one of the main business is providing many services through e-mitra, which is also one of main source of revenue of company. As explained to us this e-mitra business is mostly information technology driven automated, but in our opinion even in technology driven automation there could be chances of human intervention. We do not found any information system audit report which highlight gap in system. As mentioned in para 7 above the internal audit is also not reliable hence there may be some impact on financial statements extant of which cannot be determined.
9. The company's GST receivable as per books and GST receivable as per GST portal (including Electronic cash ledger and credit ledger) are not properly reconciled, hence possible impact of same cannot be determined on financial statements.
10. The company is not debiting proper account while booking expenses. We observe there are many expenses which are booked \debited against wrong head. Due to this some expenses are over charged and some are under charged. Exact impact on financial statements cannot be determined.

11. The Company is not properly booking revenue on accrual basis as mentioned in Note no. 24 para 3 (Revenue Recognition). We found following invoices which are to be booked in FY 2024-25 on accrual basis but booked in FY 2025-26. Due to this income and profit are understated by Rs.30.45 lakh and GST liability is understated by Rs.5.48 lakh.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

EMPHASIS OF MATTERS

1. Balance of Trade Receivables, Trade Payables / Outstanding Liabilities, Security Deposits and Short Term Loans and Advances are subject of confirmation and reconciliation. These include old balances pending confirmation/ reconciliation /settlement.

2. Assessment of Provisions and contingent liabilities in respect of certain litigations including direct and indirect taxes, various claims filed by other parties not acknowledged as debt. A high level of judgement is required in estimating the level of provisioning. The company's assessment is supported by the facts of matter, their own judgement, past experience and advice from legal and independent tax consultant wherever considered necessary. Accordingly, unexpected outcome may significantly impact the company's reported profit and net assets. Associated uncertainty relating to outcome requires application of judgement in interpretation of law.

"ANNEXURE 5" TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act,2013("the Act ")

We have audited the internal financial controls over financial reporting of **RAJCOMP INFO SERVICES LIMITED** ("the Company") as of March 31, 2025 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over the financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorities of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of the internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of the changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Emphasis of matters

We draw your attention to under mentioned matters:-

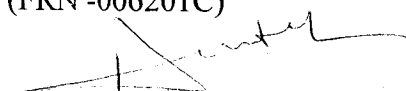

1. The software is having various glitches, due to which various errors are incurred while making entries in the books of accounts. Software is also facilitating modification, deletion and back date entries. As mentioned in our audit report the accounting software is not complied with audit trail (edit log) facility.
2. Narration in entries are not proper.
3. Entries remain pending (draft) for many days for authorizations.

Qualified Opinion

In our opinion, the company has, except for the effects of the matters described in the Basis for qualified opinion in Annexure 1 of auditors report, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to the standalone financial statements and such internal financial controls over financial reporting were operating effectively as at 31st March, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Reason:- Change in Ratio

- A) Increase in current ratio due to decrease in TDS Payable, GST and advance received from project
- B) Return on equity ratio :- Increase in income of service charges from implementation of project and online submission of forms for recruitment.
- C) Trade receivable turnover ratio:- Ratio increased due to Increase in income of service charges from implementation of project and online submission of forms for recruitment.
- D) Trade payable Ratio:- Expenses on amount of old pension scheme is not incurred, as in current year it is Rs. 8,79,27,504.00 which is F.Y. 2023-24 it was Rs. 17,14,62,738
- E) Net capital turnover Ratio :- Working capital improved significantly as good amount of money received in F.Y 2024-25 for implementation of project.

F) Net Profit Ratio :- Increase in income of service charges from implementation of project and online submission of forms for recruitment and Expenses on amount of old pension scheme is decreased, as in current year it is Rs. 8,79,27,504.00 which is F.Y. 2023-24 it was Rs. 17,14,62,738

G) Return on capital employed :- Increase in income of service charges from implementation of project and online submission of forms for recruitment.

H) Return on Investment: ROI increased, as in F.Y 2023-24 we calculated return on investment by calculating the net interest after distributing it amongst the various projects to whom funds belong, in F.Y 2024-25 we took total interest amount earned on investment that's the reason such a huge change in ratio is showing. So, if we calculate ROI of F.Y 2023-24 by applying total interest earned on total investment, ratio would be .07590

I) Debt to Equity Ratio: Ratio does not have significant changes. Slight increase in ratio is contributed by increase in Security deposit and capitalization of Outstanding Interest as on 31.03.2024

J) Debt Service Coverage Ratio: Ratio does not have significant changes.

NOTE NO. - 24

SIGNIFICANT ACCOUNTING POLICIES / PRACTICES WITH OTHER NOTES ON ACCOUNTS.

(Forming part of Financial Statements for the year ended 31/03/2025)

A. SIGNIFICANT ACCOUNTING POLICIES / PRACTICES.

1. Basis of Preparation :

The financial statements have been prepared to comply in all material aspects with the notified Accounting Standards by The Companies Accounting Standards Rules, as amended from time to time and relevant provisions of the Companies Act, 2013 ("the Act"). All figures up to Notes are shown in lakhs, while annexures are in actual numbers.

The financial statements have been prepared under the historical cost convention on an accrual basis in accordance with accounting principles generally accepted in India. The accounting policies have been consistently applied.

2. Use of Estimates :

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based upon management's best knowledge of current events and action, actual result could differ from these estimates. Significant estimate used by the management in the preparation of these financial statements include computation of percentage completion for service projects in progress and related revenue, estimates of the economic useful life of fixed assets, provisions for bad and doubtful debts. Difference between actual results and estimates are recognized in the period in which the results are known/ materialized.

3. Revenue Recognition

Revenue is recognized on accrual basis and when its collection or receipts is reasonably certain.

Revenue from implementation of projects/Consultancy/support services is recognized on the "Proportionate completion" method of accounting by reference to the stage of completion of the project activity at the reporting date and in accordance with terms and conditions of the project. Proportionate completion here determines on the basis of actual expenditure made on project, means we recognizes revenue in commensurate with actual expenditure made on particular project.

Revenue from services provided for E-procurement project, Commission from E-Mitra project, work including online submission of application forms is also recognized on "Proportionate completion method".

4. Fixed Assets, Intangible Assets & Depreciation

Fixed Assets

Fixed assets whether acquired or constructed are capitalized at cost of acquisition/construction. The cost of fixed asset comprises of purchase price and any attributable costs of bringing the asset to its working condition for its intended use.

Intangible Assets

Intangible Assets will be amortized over their useful economic life as estimated by the management of the company. However Intangible Assets will be technically valued each year for their useful economic life and the unamortised amount of the intangible assets will be charged to Statement of Profit & Loss as amortization over their revised remaining useful life.

Depreciation

Depreciation on fixed assets for the year is provided to the extent of depreciable amount on Written Down value method at the rates and in the manner specified in Schedule II of the Companies Act. 2013.

5. Impairment of Assets

The carrying amounts of assets are reviewed at each balance sheet date and if there is any indication of impairment loss based on internal/external factors, such loss is charged to Statement of Profit and Loss in the year in which an asset is identified as impaired. An asset is said to be impaired when the carrying amount of the asset exceeds the recoverable amount.

6. Investments:

Long-term investments are stated at Cost and any permanent decline will be adjusted in the carrying amount of Long-term investments. Short-term investments, if any, are stated at Cost or Market Value, whichever is low.

7. Employee Benefits

(a) Short term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered. Employee benefits such as PF, family pension, ESI etc. are treated as defined contribution plan and contributions are charged to Statement of Profit and Loss, when such contributions to the respective funds are due.

(b) Post employment and other long term employee benefits are recognized as an expense in the Profit & Loss A/c of the year in which the employee has rendered services and treated as defined benefits plans. The expenses are recognized as under:-

Gratuity liability is being accounted for on actuarial basis as per quantum determined by Life Insurance Corporation of India under group gratuity scheme (Defined Benefit Plan).

Leave Encashment liability is accounted for on actuarial basis as per quantum determined by Life Insurance Corporation of India under a scheme.

Ex-Gratia/Bonus liability is accounted in the Statement of Profit and Loss in the year in which it is being paid after approval of Board of Directors of the company.

8. Borrowing Cost

Borrowing cost includes interest, commitment charges, brokerage, underwriting cost, discounts / premiums, financing charges, exchange difference to the extent they are regarded as interest costs and all ancillary/incidental costs incurred in connection with the arrangement of borrowing.

Borrowing costs which are directly attributable to acquisition / construction of a fixed asset are capitalized as a part of cost pertaining to that asset.

Other borrowing costs are considered as expenditure in the period in which these are incurred and are charged to Statement of Profit and Loss.

9. Taxes on Income

Income Tax expense comprises current tax and deferred tax charge or credit. Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year. The deferred tax asset / deferred tax liability is calculated by applying tax rate and tax law that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax asset arising mainly on account of brought forward losses and unabsorbed depreciation under tax laws, are recognized only if there is a virtual certainty of its realization, supported by convincing evidence. Deferred tax asset on account of other timing difference are recognized only to the extent there is a reasonable certainty of its realization. At each Balance Sheet date, the carrying amounts of deferred tax are reviewed to reassure realization.

10. Provision, Contingent Liabilities and Contingent Assets

Provisions are recognized for liabilities that can be measured only by using a substantial degree of estimation, if:

- a) The company has a present obligation as a result of a past event.
- b) A probable outflow of resources is expected to settle the obligation and
- c) The amount of the obligation can be reliably estimated.

Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually certain that the reimbursement will be received.

Contingent Liability is disclosed in the case of:

- a) A present obligation arising from a past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- b) A possible obligation, unless the probability of outflow resources is remote.

Contingent Assets are neither recognized, nor disclosed.

11. Prior Period Items

Prior period items are incomes or expenses, which arise in the current period as a result of 'errors' or 'omissions' in the financial statement prepared in earlier years. Effects of changes in estimates are not treated as omission or error.

12. Policy to recognized Technical Manpower Expenses

Company is having policy to recognized Technical Manpower expenses in Profit and Loss account, duly approved from Board of Directors vide which it is mentioned that only those manpower expenses will be booked in RISL which are general in nature i.e technical manpower which got hired for multiple projects will be booked out of revenue of RISL.

13. Earning per Share

The Company reports basic & diluted earnings per share in accordance with the Accounting standard -20 'Earning per Share' issued by ICAI. Basic & diluted earning per share is computed by dividing the net profit or loss for the year by the number of equity share outstanding during the year.

14. Security Deposits/PSD/EMD's

Security deposits/PSD's are shown as Long term liabilities in books of accounts of RISL for the F.Y 2024-25, as all tender against which we took security deposits/PSD, are having service period more than a year, there may be chances that some of the security deposits may get paid within a year, but same cannot be assessed at balance sheet date. Further, EMD's are shown as current liabilities in books of accounts of RISL as same will get refunded within a year.

15. Prior period Income:

RISL works in a capacity of 'Pure Agent', so expenditure related to particular projects are being recognized as project expenditure (Under project accounting) which does not have any effect over profit and loss account of RISL, but RISL recognizes income on actual expenditure under project, so there are few incidences where invoices are received after finalization of books of accounts, which resulted into non recognition of income on in reporting year. Although, books of accounts reflect expenditure and income on accrual basis in compliance with notified accounting standards, but we may observe some of the expenditure in current financial year i.e 2025-26, pertaining to previous financial year which again brings to non-recognition of income in reporting period which will then be recognized as prior period income.

The Company had further entered into an agreement on 14 June, 2012 with RajCOMP, for defining various terms and conditions for acquisition of whole business and undertaking of RajCOMP.

2. Contingent liabilities and commitments :-

- (A) RajCOMP has taken the stay from the Rajasthan Taxation Tribunal against payment of sales tax for the preparation of Voter ID cards in the year 1995-96. In case, the stay gets vacated then the liability of **Rs. 13,27,296/-** is likely to be created against RajCOMP.
- (B) The Service Tax liability of **Rs. 86,852/-** is related to RajCOMP (a society) which is accounted for on accrual concept of accounting.

However, the payment of such liability yet to be made due to non-realization of aforesaid amount from the debtors. The payment of such service tax liability is to be made on receipts basis as per the provisions of that time under Service Tax Rules & Regulations.

- (C) At present the Company have Trade Receivables of Rs. 38,72,35,022.37 which are due of more than 3 years. Since, whole of the amount is due from various departments and PSUs of Rajasthan, so probability of recovery of said amount is high and same is being pursued from concerned department and hoping to resolve the issue in current financial year.
- (D) By order of the Hon'ble State Cabinet 235/2013 dated 20.09.2013 and directions given by the DoIT&C in compliance with said order, a decision has been taken by the Board of Directors of the company in its 11th meeting that RISL should initiate the process for formation / incorporation of new company as subsidiary of RISL in respect of E-Mitra / CSC projects.

In compliance of above, a new company namely 'RajONLINE Limited' has been formed / incorporated with Authorised Capital of Rs. 10/- crore and Subscribed Capital of Rs. 4.99 crore. The list of subscribers are as follows:-

- | | |
|-----------|----------------------------------|
| 1. RISL | 2500000 shares of Rs. 10/- each. |
| 2. JVVNL | 830000 shares of Rs. 10/- each. |
| 3. JDVVNL | 830000 shares of Rs. 10/- each. |
| 4. AVVNL | 830000 shares of Rs. 10/- each. |

However, such share subscribed money has not been called by the company M/s RajONLINE Limited and nor paid by the RISL itself. Since, the RISL has agreed to take shares, therefore, it is future commitment on the company to pay **Rs. 2.50 crore.**

Also, the company has paid Rs. 11,08,510/- in respect of incorporation of said new company, which was

RajONLINE Limited. In financial year 2024-25 cost incurred for incorporation of company is recovered from DoIT&C.

- (E) In 36th board meeting of RISL held on 11.11.2019, board of directors approved modalities for incorporation of a new section 8 Company in collaboration with Rajasthan Knowledge Corporation Limited (RKCL), Rajasthan State Industrial Development and Investment Corporation (RIICO) and Rajasthan State Industrial Mines and Minerals Limited (RSMM). Paid up capital was decided to be kept is Rs 10 lakh, and RISL will subscribe 20 % paid up capital of proposed company. But, till date proposed company is not formed and RISL does not subscribe any of the equity. If company be formed in that case RISL will subscribe paid up equity as decided in board meeting.

3. As per the direction issued by the Finance Department vide letter no. 20(1) / 2011 dated 24/10/2011, the Company has apportioned the interest of **Rs. 19,86,26,403.51** on various projects out of the Interest earned on FDRs for the period starting from 01.04.2024 to 31.03.2025, which have been created from the advance fund received for execution of various projects. Further, we also allocated interest of Rs.37,55,718.98 for earlier years.

Total interest earned on FDRs has been apportioned to projects by calculation average interest rate and applied it on daily ledger balances of project (reflecting in books of accounts). Projects having average debit balance for the year as per the books of RISL has not been considered for interest apportionment.

Considering the observation raised by AG audit for the F.Y 2022-23 with respect to calculation methodology of average interest rate, we sought opinion of Tax Consultant of RISL, and of Advisory board of ICAI, reply of which is awaited. But, from F.Y 2024-25 we brought some changes in interest apportioned methodology under which we separated Interest earned for IT projects, UID project and or funds of RISL, means we identified amount of interest as follows:

1. Interest earned on project Advance- Rs.18,71,10,324.00
 2. Interest earned on UID project balance- Rs. 55,62,367.00
 3. Interest earned on RISL funds- Rs. 11,08,81,081.29
4. The Board has approved the following policy for treatment of forfeited Earnest Money Deposit (EMD) / Security Deposit (SD) and penalties / fine / liquidated damage (LD) as per the recommendations of the Audit Committee :-

**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA
UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE STANDALONE
FINANCIAL STATEMENTS OF RAJCOMP INFO SERVICES LIMITED FOR THE
YEAR ENDED 31 MARCH 2025**

The preparation of Financial Statements of RajComp Info Services Limited for the year ended 31 March 2025 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the Management of the Company. The Statutory Auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act are responsible for expressing opinion on the Financial Statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 19 September 2025.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the Financial Statements of RajComp Info Services Limited for the year ended 31 March 2025 under Section 143(6) (a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and Company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to Statutory Auditors report under Section 143(6)(b) of the Act.
