

Ref. No. F3.3(533)/RISL/Pur/2024/S762

Dated: 28-10-2024

### Corrigendum

In reference to RFP for Supply, Installation and Maintenance of IBM Engineered Machine (96 Core) with requisite software and licenses at RSDC floated vide NIB no. F3.3(533)/RISL/Pur/2024/5342 Dated: 14.10.2024 (Tender ID - 2024\_RISL\_427321\_1), it is clarified that in Chapter-3 of the RFP, clause 1.4: Technical Capability, **Note** mentioned in **Documents Required** column (**Note: Date of the work orders should NOT be earlier than 01/04/2019**) is not applicable for the following part of technical capability :-

*"The bidder must submit three distinct work orders for the supply and installation of IBM Engineered Machines (PureApp/BlueMix/Cloud Pack System) in India along with technical bid. These work orders can either be executed by the bidder or sourced from the OEM. The value of IBM Engineered Machines (PureApp/BlueMix/CPS) should be clearly stated and visible on these work orders."*

For other Technical Capability criteria in chapter-3, clause-1.4 of RFP, the **"Note: Date of the work orders should NOT be earlier than 01/04/2019"** shall be applicable.

All other terms & conditions shall remain same as per the RFP.
