

SN	RFP Chapter No.	RFP Clause No.	RFP Page No.	Clause Details as per RFP	Query/Clarification/ Suggestion	Response
1	Special Terms & Condition	Payment Terms & Schedules	55	Delivery, Installation and Commissioning of New batteries	Given the scope of work and logistical challenges, request to revise timelines as: T + 75 days for Delivery, Installation & Commissioning T + 90 days for Buyback & Movement of Old Batteries	As Per Revised RFP
2	Payment Terms Revision	Payment Terms & Schedules	55	15% of the quoted cost is retained and released in 3 instalments over 3 years (5% per year) after Battery Health check up	100% payment against supplied items at the time of delivery & installation. Removal of the 15% retention structure , as There is Already PBG (performance Bank Guarantee) This will ensure timely cash flow considering the capital-intensive nature of battery procurement.	As Per RFP
3	Special Terms & Condition	Payment Terms & Schedules	56 (P)	Spare Quantity Requirement 10% spare quantity	1% spare quantity of the ordered battery quantity. (10% spares for batteries is unusually high and financially burdensome.) Alternatively These 01% spares can be purchased by the authority with cell booster systems and can be kept near the battery room as it will reduce the down time and subsequently those faulty batteries can be replaced later on.	As Per RFP
4	Scope of Work, Deliverables & Timelines	Details of work (SoW)	14	Clarification on Use of Existing Rack & Consumables	Existing battery racks and consumables can be reused; If changes/modifications are required, due to different manufacturer battery sizing, what measures will be taken both technically and Commercially.	As Per RFP
