A	Time Span of full Stipulated period	1/4 th (.....days)	1/2 th (.....days)	3/4 th (.....days)	Full (.....days)
B	Work to be completed in terms of money	1/8 th (Rs.....)	3/8 th (Rs.....)	3/4 th (Rs.....)	Full (Rs.....)
C	Compensation payable by the contractor for delay attributable to the attributable to stage	2.5% of Scheduled work remained unexecuted on the last days of (1/4) time span	5% of Scheduled work remained unexecuted on the last day of (1/2) time span	7.5% of Scheduled work remained unexecuted on the last days of (3/4) span	10% of Scheduled work remained unexecuted on the last day of Contracted Full period

Note: In case delayed period over a particular span is split up and is jointly attributable to government and contractor, the competent authority may reduce the compensation in proportion of delay attributable to government over entire delayed over that span after clubbing up the split delays attributable to government and this reduced compensation would be applicable over the entire delayed period without paying any escalation. Following illustration is given

[i] First time span is for 6 months, delay is of 30 days which split over as under Sdays [attributable to government] + Sdays[attributable to contractor] + Sdays[attributable to government]+ Sdays[attributable to contractor]+ Sdays [attributable to government]]+ Sdays[attributable to contractor]. Total delay is thus clubbed to 15 days [attributable to government] and 15 days [attributable to contractor]. The normal compensation of 30 days as per clause 2 of agreement is 2.5 which can be reduced as 2.5 15/30=1.25 over 30 days without any escalation by competent authority.

The contractor shall, further, be bound to carry out the work in accordance with the date and quantity entered in the progress statement attached to the tender.

In case the delay in execution of work is attributable to the contractor, the span wise compensation, as laid down in this clause shall be mandatory. However in case the slow progress in on time span is covered up within original stipulated period then the amount of such compensation levied earlier shall be refunded. The price escalation, if any, admissible under clause 45 of Conditions of Contract would be admissible only on s: h rates and cost of work, as would be admissible if work would have been carried out in that particular time span. The Engineer-in-charge shall review the progress achieved in every time span, and grant stage

wise extension in case of slow progress with compensation, if the delay is attributable to contractor, otherwise without compensation.

However, if for any special job, a time schedule has been submitted by the contractor before execution of the agreement and it is entered in agreement as well as same has been accepted by the Engineer-in-charge or Tendering Authority the contractor shall complete the work within the said time schedule. In the event of the contractor failing to comply with this condition, he shall be liable to pay compensation as this clause shall not exceed 10% of the value of the contract. While granting extension in time attributable to the Government, reasons shall be recorded for each delay.

- 6. The Penalties shall be implemented and deducted as per the SLAs defined in the RFP.
- 7. All disputes arising out of this agreement and all questions relating to the interpretation of this agreement shall be decided as per the procedure mentioned in the RFP document.
- 8. In case of agreement with Supplier/service provider:

“This agreement is being executed on behalf of M/s (Concerned Department)....., to procure defined goods and services, RISL is acting merely as a Pure Agent who neither intends to hold or holds any title to the goods and services being procured or provided. So all the goods and services are required to be delivered in the name of M/s (Concerned Department)..... along with invoices of supplied items, although payment will be made by RISL on behalf of said department/company.”

- 9. In case of MOU with Department/PSU

“This MOU is being executed to procure defined goods and services, RISL is acting merely as a Pure Agent who neither intends to hold or holds any title to the goods and services being procured or provided. So all the goods and services (except management consultancy) will be delivered in the name of M/s (Concerned Department)..... along with invoices of supplied items, although payment will be made by RISL on behalf of M/s (Concerned Department).....”

In witness whereof the parties have caused this contract to be executed by their Authorized Signatories on this ____ day of _____, 2024.

प्रायः यह देखा गया है कि राज्य सरकार एवं संवेदकों के मध्य संपादित किये जाने वाले सभी प्रकार के संविदात्मक करारों (All contractual agreements) में आपसी मतभेद होने की स्थिति से निपटने हेतु मध्यस्थता (Arbitration) का प्रावधान रखा जा रहा है। जबकि सामान्य वित्तीय एवं लेखा नियमों, लोक निर्माण वित्तीय एवं लेखा नियमों एवं राजस्थान लोक उपापन में पारदर्शिता अधिनियम, 2012 एवं नियम 2013 में इस संबंध में कोई प्रावधान उपलब्ध नहीं है।

माननीय महाधिवक्ता, राजस्थान द्वारा भी इस संबंध में अपनी राय व्यक्त करते हुए सभी संविदात्मक करारों में मध्यस्थता के प्रावधान को राज्य हित के विपरीत बताया गया है। अतः समस्त उपापन संस्थाओं को एतद्वारा निर्देशित किया जाता है कि भविष्य में किये जाने वाले सभी संविदात्मक करारों में मध्यस्थता (Arbitration) से संबंधित प्रावधान को नहीं रखा जावे।
