1	10	4. PRE-QUALIFICATION/ ELIGIBILITY CRITERIA	MAF- Package A: Bidder has to submit atleast one or more MAF's from one/multiple OEM's for items as listed in Package A (Indicative List of Items) Package B: Bidder has to submit atleast one or more MAF's from one/multiple OEM's for items as listed in Package B (Indicative List of Items)	We request to remove the MAF compulsion at this stage, as this is empanelment of Bidder only and since this RFP is only for the selection of SI to empanel. Since the MAF is specific documents and department will ask it when tender is floated and OEM also didn't want the generalized MAF issue to bidder, it is generally issued on case to case project basis. So, MAF compulsion from so many OEM for these products is not justify. So, kindly remove the compulsion of MAF at this stage and only empanel base on the SI eligibility criteria only.	As per RFP
