4. INSTRUCTION TO BIDDERS (ITB)

1) Bid Security

Every bidder, if not exempted, participating in the procurement process will be required to furnish the bid security as specified in the NIB.

- a) In open competitive bidding, two-stage bidding, rate contract, electronic reverse auction, bid security shall be 2% or as specified by the State Government of the estimated value of subject matter of procurement put to bid. In case of Small Scale Industries of Rajasthan it shall be 0.5% of the quantity offered for supply and in case of sick industries, other than Small Scale Industries, whose cases are pending with Board of Industrial and Financial Reconstruction, it shall be 1% of the value of bid. Concessional bid security may be taken from registered bidders as specified by the State Government. Every bidder, if not exempted, participating in the procurement process shall be required to furnish the bid security as specified in the notice inviting bids.
- b) In lieu of bid security, a bid securing declaration shall be taken from
 - i. Departments /Boards of the State / Government or Central Government;
 - ii. Government Companies as defined in clause (45) of section 2 of the Companies Act, 2013;
 - iii. Company owned or controlled, directly or indirectly, by the Central Government, or by any State Government or Governments, or partly by the Central Government and partly by one or more State Governments which is subject to audit by the Auditor appointed by the Comptroller and Auditor-General of India under sub-section (5) or (7) of section 139 of the Companies Act, 2013;
 - iv. Autonomous bodies, Registered Societies, Cooperative Societies which are owned or

- controlled or managed by the State Government or Central Government;
- c) Bid security instrument or cash receipt of bid security or a bid securing declaration shall necessarily accompany the sealed bid.
 - d) Bid security of a bidder lying with the procuring entity in respect of other bids awaiting decision shall not be adjusted towards bid security for the fresh bids. The bid security originally deposited may, however, be taken into consideration in case bids are re-invited.
 - e) The bid security may be given in the form of a banker's cheque or demand draft or Bank Guarantee or electronic bank guarantee (e-BG), in specified format, of a scheduled bank or deposit through eGRAS. The bid security must remain valid thirty days beyond the original or extended validity period of the bid.
 - f) The bidding documents may stipulate that the issuer of the bid security and the confirmer, if any, of the bid security, as well as the form and terms of the bid security, must be acceptable to the procuring entity. In cases of International Competitive Bidding, the bidding documents may in addition stipulate that the bid security shall be issued by an issuer in India.
 - g) Prior to presenting a submission, a bidder may request the procuring entity to confirm the acceptability of proposed issuer of a bid security or of a proposed confirmer, if required. The procuring entity shall respond promptly to such a request.
 - h) The bank guarantee or electronic bank guarantee (e-BG) presented as bid security shall be got confirmed from the concerned issuing bank. However, the confirmation of the acceptability of a proposed issuer or of any proposed confirmer does not preclude the procuring entity from rejecting the bid security on the ground that the issuer or the confirmer, as the case may be, has become insolvent or has otherwise ceased to be creditworthy.
 - i) The bid security of unsuccessful bidders shall be refunded soon after final acceptance of successful bid and signing of Agreement and submitting performance security.
 - j) The Bid security taken from a bidder shall be forfeited, including the interest, if any, in the following cases, namely: -
 - i. when the bidder withdraws or modifies its bid after opening of bids;
 - ii. when the bidder does not execute the agreement, if any, after placement of supply/ work order within the specified period;
 - iii. when the bidder fails to commence the services or execute work as per supply/ work order within the time specified;
 - iv. when the bidder does not deposit the performance security within specified period after the supply/ work order is placed; and
 - v. if the bidder breaches any provision of code of integrity, prescribed for bidders, specified in the bidding document.
 - k) In case of the successful bidder, the amount of bid security may be adjusted in arriving at the amount of the Performance Security, or refunded if the successful bidder furnishes the full amount of performance security.
 - l) The bid security shall promptly be returned after the earliest of the following events, namely:
 - i. the expiry of validity of bid security;
 - ii. the execution of agreement for procurement and performance security is furnished by the successful bidder;
 - iii. the cancellation of the procurement process; or
 - iv. the withdrawal of bid prior to the deadline for presenting bids, unless the bidding documents stipulate that no such withdrawal is permitted.

2) Sale of Bidding/ Tender Documents

- a) The sale of bidding documents shall be commenced from the date of publication of NIB and shall be stopped one day prior to the date of opening of Bid. The complete bidding document shall also be placed on the SPPP and e-Procurement portal. The prospective bidders shall be permitted to download the bidding document from the websites and pay its price while submitting the Bid to the procuring entity.
- b) The bidding documents shall be made available to any prospective bidder who pays the price for it in cash or by bank demand draft, banker's cheque.
- c) Bidding documents purchased by Principal of any concern may be used by its authorised sole selling agents/ marketing agents/ distributors/ sub-distributors and authorised dealers or vice versa.

3) Pre-bid Meeting/ Clarifications

- a) Any prospective bidder may, in writing, seek clarifications from the procuring entity in respect of the bidding documents.
- b) A pre-bid conference is also scheduled by the procuring entity as per the details mentioned in the NIB and to clarify doubts of potential bidders in respect of the procurement and the records of such conference shall be intimated to all bidders and where applicable, shall be published on the respective websites.
- c) The period within which the bidders may seek clarifications under (a) above and the period within which the procuring entity shall respond to such requests for clarifications shall be as under: -
 - i. Last date of submitting clarifications requests by the bidder: as per NIB
 - ii. Response to clarifications by procuring entity: as per NIB
- d) The minutes and response, if any, shall be provided promptly to all bidders to which the procuring entity provided the bidding documents, so as to enable those bidders to take minutes into account in preparing their bids, and shall be published on the respective websites.
- e) At any time, prior to the deadline for submission of Bids, the procuring entity can for any reason, whether on its own initiative or as a result of a request for clarification by a bidder, modify the bidding documents by issuing an addendum in accordance with the provisions below.
- f) In case, any modification is made to the bidding document or any clarification is issued which materially affects the terms contained in the bidding document, the procuring entity shall publish such modification or clarification in the same manner as the publication of the initial bidding document.
- g) In case, a clarification or modification is issued to the bidding document, the procuring entity may, prior to the last date for submission of Bids, extend such time limit in order to allow the bidders sufficient time to take into account the clarification or modification, as the case may be, while submitting their Bids.
- h) Any bidder, who has submitted his Bid in response to the original invitation, shall have the opportunity to modify or re-submit it, as the case may be, within the period of time originally allotted or in such extended time. Provided that the Bid last submitted or the Bid as modified by the bidder shall be considered for evaluation.
- i) Bidders need to submit pre-bid queries in a prescribed format (Annexure-V)

4) Changes in the Bidding Document

- a) At any time, prior to the deadline for submission of Bids, the procuring entity may for any reason, whether on its own initiative or as a result of a request for clarification by a bidder, modify the bidding documents by issuing an addendum in accordance with the provisions below.
- b) In case, any modification is made to the bidding document or any clarification is issued which materially affects the terms contained in the bidding document, the procuring entity shall publish such modification or clarification in the same manner as the publication of the initial bidding document.
- c) In case, a clarification or modification is issued to the bidding document, the procuring entity may, prior to the last date for submission of Bids, extend such time limit in order to allow the bidders sufficient time to take into account the clarification or modification, as the case may be, while submitting their Bids.
- d) Any bidder, who has submitted his Bid in response to the original invitation, shall have the opportunity to modify or re-submit it, as the case may be, within the period of time originally allotted or such extended time as may be allowed for submission of Bids, when changes are made to the bidding document by the procuring entity; provided that the Bid last submitted or the Bid as modified by the bidder shall be considered for evaluation.

5) Period of Validity of Bids

- a) Bids submitted by the bidders shall remain valid during the period specified in the NIB/ bidding document.
- b) Prior to the expiry of the period of validity of Bids, the procuring entity, in exceptional circumstances, may request the bidders to extend the bid validity period for an additional specified period of time. A bidder may refuse the request and such refusal shall be treated as withdrawal of Bid and in such circumstances bid security shall not be forfeited.
- c) Bidders that agree to an extension of the period of validity of their Bids shall extend or get extended the period of validity of bid securities submitted by them or submit new bid securities to cover the extended period of validity of their bids. A bidder whose bid security is not extended, or that has not submitted a new bid security, is considered to have refused the request to extend the period of validity of its Bid.

- g) The Financial Bid cover shall be kept unopened and shall be opened later on the date and time intimated to the bidders who qualify in the evaluation of technical Bids.

12) Selection Method

- a) The selection method is Least Cost Based Selection (LCBS or L1)

13) Clarification of Bids

- a) To assist in the examination, evaluation, comparison and qualification of the Bids, the bid evaluation committee may, at its discretion, ask any bidder for a clarification regarding its Bid. The committee's request for clarification and the response of the bidder shall be through the e-Procurement portal
- b) Any clarification submitted by a bidder with regard to its Bid that is not in response to a request by the committee shall not be considered.
- c) No change in the prices or substance of the Bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the committee in the evaluation of the financial Bids.
- d) No substantive change to qualification information or to a submission, including changes aimed at making an unqualified bidder, qualified or an unresponsive submission, responsive shall be sought, offered or permitted.
- e) All communications generated under this rule shall be included in the record of the

procurement proceedings.

14) Evaluation & Tabulation of Technical Bids

a. Determination of Responsiveness

- i. The bid evaluation committee shall determine the responsiveness of a Bid on the basis of bidding document and the provisions of pre-qualification/ eligibility criteria of the bidding document.
- ii. A responsive Bid is one that meets the requirements of the bidding document without any material deviation, reservation, or omission where: -
 - i. "deviation" is a departure from the requirements specified in the bidding document;
 - ii. "reservation" is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the bidding document; and
 - iii. "Omission" is the failure to submit part or all of the information or documentation required in the bidding document.
- iii. A material deviation, reservation, or omission is one that,
 - i. if accepted, shall:-
 1. affect in any substantial way the scope, quality, or performance of the subject matter of procurement specified in the bidding documents; or
 2. limits in any substantial way, inconsistent with the bidding documents, the procuring entity's rights or the bidder's obligations under the proposed contract; or
 - ii. if rectified, shall unfairly affect the competitive position of other bidders presenting responsive Bids.
- iv. The bid evaluation committee shall examine the technical aspects of the Bid in particular, to confirm that all requirements of bidding document have been met without any material deviation, reservation or omission.
- v. The procuring entity shall regard a Bid as responsive if it conforms to all requirements set out in the bidding document, or it contains minor deviations that do not materially alter or depart from the characteristics, terms, conditions and other requirements set out in the bidding document, or if it contains errors or oversights that can be corrected without touching on the substance of the Bid.
- vi. For the bids submitted by MSME firms registered in Rajasthan, inspection of the premises of the bidder firm will invariably be done by technical evaluation committee during the technical evaluation of the bids. If any discrepancies found, the bid shall be liable to be rejected during the technical evaluation.

b. Non-material Non-conformities in Bids

- vii. The bid evaluation committee may waive any non-conformities in the Bid that do not constitute a material deviation, reservation or omission, the Bid shall be deemed to be substantially responsive.
- viii. The bid evaluation committee may request the bidder to submit the necessary information or document like audited statement of accounts/ CA Certificate, Registration Certificate, etc. within a reasonable period of time. Failure of the bidder to comply with the request may result in the rejection of its Bid.
- ix. The bid evaluation committee may rectify non-material nonconformities or omissions on the basis of the information or documentation received from the bidder under (b) above.

15) Tabulation of Technical Bids

- i. If Technical Bids have been invited, they shall be tabulated by the bid evaluation committee in the form of a comparative statement to evaluate the qualification of the bidders against the criteria for qualification set out in the bidding document.
- ii. The members of bid evaluation committee shall give their recommendations below the table as to which of the bidders have been found to be qualified in evaluation of Technical Bids and sign it.
- iii. The number of firms qualified in technical evaluation, if less than three and it is considered necessary by the procuring entity to continue with the procurement process, reasons shall be recorded in writing and included in the record of the procurement proceedings.
- iv. The bidders who qualified in the technical evaluation shall be informed in writing about the date, time and place of opening of their financial Bids.

- c) conditional Bids are liable to be rejected;
- d) the evaluation shall include all costs and all taxes and duties applicable to the bidder as per law of the Central/ State Government/ Local Authorities, and the evaluation criteria specified in the bidding documents shall only be applied;
- e) the evaluation shall follow the process mentioned at clause 12 above for calculation of L1
- f) the bid evaluation committee shall prepare a comparative statement in tabular form in accordance with rules along with its report on evaluation of financial Bids and recommend the lowest offer for acceptance to the procuring entity, if price is the only criterion, or most advantageous Bid in other case;
- g) The members of bids evaluation committee shall give their recommendations below the table regarding lowest Bid or most advantageous Bid and sign it.
- h) it shall be ensured that the offer recommended for sanction is justifiable looking to the prevailing market rates of the goods, works or service required to be procured.
- i) To evaluate a financial bid, the tendering authority shall consider the following: -
 - a. The bid price as quoted in accordance with bidding document.
 - b. Price adjustment for correction of arithmetic errors in accordance with bidding document.
- j) All rates quoted must be FOR destination and should include all incidental charges except GST which should be shown separately. In case of local supplies, the rates should include all taxes, etc., and no cartage or transportation charges will be paid by the Government and the delivery of the goods shall be given at the premises of Purchaser. Goods to be purchased are for the purpose of official use, hence Octroi is not payable. The rates, therefore, should be exclusive of Octroi, and local tax, in case goods to be purchased are for the purpose of resale or use as manufacture of any goods for sale, the rates shall be inclusive of Octroi and local tax. In the former case, a certificate in the prescribed form will be furnished along with the supply order
- k) The bidders are required to quote for each profile, if any chance bidder does not quote any rate in respect of any profile, the bid will be rejected.

17) Correction of Arithmetic Errors in Financial Bids

The bid evaluation committee shall correct arithmetical errors in substantially responsive Bids, on the following basis, namely: -

- a) if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the bid evaluation committee there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to clause (a) and (b) above.

18) Price/ purchase preference in evaluation

In case of MSMEs , purchase preference notified by the State Government shall be considered in the evaluation of bids and award of contract.

19) TAXES AND DUTIES

- a) The TDS, GST if applicable, shall be deducted at source/ paid by RISL as per prevailing rates.
- b) For goods supplied from outside India, the successful/ selected bidder shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the country.
- c) For goods supplied from within India, the successful/ selected bidder shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted Goods to the Purchaser.
- d) If any tax exemptions, reductions, allowances or privileges may be available to the successful/ selected bidder in India, the Purchaser shall use its best efforts to enable the successful/ selected bidder to benefit from any such tax savings to the maximum allowable extent.

20) Negotiations

- a) Except in case of procurement by method of single source procurement or procurement by competitive negotiations, to the extent possible, no negotiations shall be conducted after the pre- bid stage. All clarifications needed to be sought shall be sought in the pre-bid stage itself.
- b) Negotiations may, however, be undertaken only with the lowest or most advantageous bidder when the rates are considered to be much higher than the prevailing market rates.
- c) The bid evaluation committee shall have full powers to undertake negotiations. Detailed reasons and results of negotiations shall be recorded in the proceedings.
- d) The lowest or most advantageous bidder shall be informed in writing either through messenger or by registered letter and e-mail (if available). A minimum time of seven days shall be given for calling negotiations. In case of urgency the bid evaluation committee, after recording reasons, may reduce the time, provided the lowest or most advantageous bidder has received the intimation and consented to regarding holding of negotiations.
- e) Negotiations shall not make the original offer made by the bidder inoperative. The bid evaluation committee shall have option to consider the original offer in case the bidder decides to increase rates originally quoted or imposes any new terms or conditions.
- f) In case of non-satisfactory achievement of rates from lowest or most advantageous bidder, the bid evaluation committee may choose to make a written counter offer to the lowest or most advantageous bidder and if this is not accepted by him, the committee may decide to reject and

re- invite Bids or to make the same counter-offer first to the second lowest or most advantageous bidder, then to the third lowest or most advantageous bidder and so on in the order of their initial standing and work/ supply order be awarded to the bidder who accepts the counter-offer. This procedure would be used in exceptional cases only.

g) In case the rates even after the negotiations are considered very high, fresh Bids shall be invited.

21) Exclusion of Bids/ Disqualification

a) A procuring entity shall exclude/ disqualify a Bid, if: -

- i. the information submitted, concerning the qualifications of the bidder, was false or constituted a misrepresentation; or
- ii. the information submitted, concerning the qualifications of the bidder, was materially inaccurate or incomplete; and
- iii. the bidder is not qualified as per pre-qualification/ eligibility criteria mentioned in the bidding document;
- iv. the Bid materially departs from the requirements specified in the bidding document or it contains false information;
- v. the bidder, submitting the Bid, his agent or any one acting on his behalf, gave or agreed to give, to any officer or employee of the procuring entity or other governmental authority a gratification in any form, or any other thing of value, so as to unduly influence the procurement process;
- vi. a bidder, in the opinion of the procuring entity, has a conflict of interest materially affecting fair competition.

b) A Bid shall be excluded/ disqualified as soon as the cause for its exclusion/ disqualification is discovered.

c) Every decision of a procuring entity to exclude a Bid shall be for reasons to be recorded in writing and shall be: -

- i. communicated to the concerned bidder in writing;
- ii. published on the State Public Procurement Portal, if applicable.

22) Breach of Code of Integrity by the Bidder

Without prejudice to the provisions of Chapter IV of the Act, in case of breach of any provision of the code of integrity by a bidder or prospective bidder, as the case may be, the procuring entity may take appropriate action in accordance with the provisions of subsection (3) of section 11 and section 46.

23) Lack of competition

a) A situation may arise where, if after evaluation of Bids, the bid evaluation committee may end-up with one responsive bid only. In such situation, the bid evaluation committee would check as to whether while floating the NIB all necessary requirements to encourage competition like standard bid conditions, industry friendly specifications, wide publicity, sufficient time for formulation of Bids etc were fulfilled. If not, the NIB would be re-floated after rectifying deficiencies. The bid process shall be considered valid even if there is one responsive Bid, provided that: -

- i. the Bid is technically qualified;
- ii. the price quoted by the bidder is assessed to be reasonable;
- iii. the Bid is unconditional and complete in all respects;
- iv. there are no obvious indicators of cartelization amongst bidders; and
- v. the bidder is qualified as per the provisions of pre-qualification/ eligibility criteria in the bidding document

b) The bid evaluation committee shall prepare a justification note for approval by the next higher

authority of the procuring entity, with the concurrence of the accounts member(s).

- c) In case of dissent by any member of bid evaluation committee, the next higher authority in delegation of financial powers shall decide as to whether to sanction the single Bid or re-invite Bids after recording reasons.
- d) If a decision to re-invite the Bids is taken, market assessment shall be carried out for estimation of market depth, eligibility criteria and cost estimate.

24) Acceptance of the successful Bid and award of contract

- a) The procuring entity after considering the recommendations of the bid evaluation committee and the conditions of Bid, if any, financial implications, trials, sample testing and test reports, etc., shall accept or reject the successful Bid. If any member of the bid evaluation committee, has disagreed or given its note of dissent, the matter shall be referred to the next higher authority, as per delegation of financial powers, for decision.
- b) Decision on bids shall be taken within original validity period of Bids and time period allowed to procuring entity for taking decision. If the decision is not taken within the original validity period or time limit allowed for taking decision, the matter shall be referred to the next higher authority in delegation of financial powers for decision.
- c) Before award of the contract, the procuring entity shall ensure that the price of successful Bid is reasonable and consistent with the required quality.
- d) A Bid shall be treated as successful only after the competent authority has approved the procurement in terms of that Bid.
- e) The procuring entity shall award the contract to the bidder whose offer has been determined to be the lowest or most advantageous in accordance with the evaluation criteria set out in the bidding document and if the bidder has been determined to be qualified to perform the contract satisfactorily on the basis of qualification criteria fixed for the bidders in the bidding document for the subject matter of procurement.
- f) Prior to the expiry bid validity period, the procuring entity shall inform the successful bidder, in writing, that its Bid has been accepted.
- g) As soon as a Bid is accepted by the competent authority, its written intimation shall be sent to the concerned bidder by registered post or email and asked to execute an agreement in the format given in the bidding documents on a non-judicial stamp of requisite value and deposit the amount of performance security or a performance security declaration, if applicable, within a period specified in the bidding documents or where the period is not specified in the bidding documents then within fifteen days from the date on which the letter of acceptance or letter of intent is dispatched to the bidder.
- h) If the issuance of formal letter of acceptance is likely to take time, in the meanwhile a Letter of Intent (LOI) may be sent to the bidder. The acceptance of an offer is complete as soon as the letter of acceptance or letter of intent is posted and/or sent by email (if available) to the address of the bidder given in the bidding document. Until a formal contract is executed, the letter of acceptance shall constitute a binding contract.
- i) The bid security of the bidders whose Bids could not be accepted shall be refunded soon after the contract with the successful bidder is signed and its performance security is obtained.

25) Information and publication of award

Information of award of contract shall be communicated to all participating bidders and published on the respective website(s) as specified in NIB.

26) Execution of agreement

- a) A procurement contract shall come into force from the date on which the contract/ agreement

is signed.

- b) The successful bidder shall sign the procurement contract within 15 days from the date on which the letter of acceptance or letter of intent is dispatched to the successful bidder.
- c) If the bidder, who's Bid has been accepted, fails to sign a written procurement contract or fails to furnish the required performance security within specified period, the procuring entity shall take action against the successful bidder as per the provisions of the bidding document and Act. The procuring entity may, in such case, cancel the procurement process or if it deems fit, offer for acceptance the rates of lowest or most advantageous bidder to the next lowest or most advantageous bidder, in accordance with the criteria and procedures set out in the bidding document.
- d) The bidder will be required to execute the agreement on a non-judicial stamp of specified value at its cost and to be purchase from anywhere in Rajasthan only.

27) Procuring entity's right to accept or reject any or all Bids

The Procuring entity reserves the right to accept or reject any Bid, and to annul (cancel) the bidding process and reject all Bids at any time prior to award of contract, without thereby incurring any liability to the bidders.

28) Right to vary quantity

- a) If the procuring entity does not procure any subject matter of procurement or procures less than the quantity specified in the bidding documents due to change in circumstances, the bidder shall not be entitled for any claim or compensation except otherwise provided in the bidding documents.
- b) Orders for extra items may be placed by the procuring entity in accordance with the Schedule of Powers as prescribed by the Finance Department, upto 5% of the value of the original contract.
- c) Orders for additional quantities may be placed on the rates and conditions given in the contract and the original order was given after inviting open competitive bids. Delivery or completion period may also be proportionately increased. The limits of orders for additional quantities shall be as under :-
 - i. 50% of the quantity of the individual items and 50% of the value of original contract in case of works; and

ANNEXURE-6: TOR for Selection of Agency for providing Development, Maintenance & Support Services for WebMyWay Portals/Websites & AEM-based Portals/Websites

1. Project Background

Rajasthan Information Systems Limited (RISL) has developed and is maintaining a large portfolio of integrated web portals, websites, and microsites for various departments of the Government of Rajasthan on two distinct technology platforms:

Platform	Technology Stack	Current Portfolio
WebMyWay	DoTNet & Angular (In-house CMS)	Approx. 800+ Portals/Websites/Microsites for GoR departments
AEM	Adobe Experience Manager (v6.1 & v6.4)	68 integrated portals, websites and microsites etc. for GoR departments

RISL intends to engage one RISL-empanelled firm (Tier-1 Category) on project mode for a period five (05) months to provide Facility Management Services (FMS), development support, and maintenance for both the WebMyWay platform and the AEM-based portals/websites. The selected agency shall cater to requirements of both platforms, working in an onsite-offshore model.

2. Scope of Work

2.1 WebMyWay Platform — FMS & Development

The WebMyWay platform is an in-house Content Management System (CMS) built on DoTNet and Angular technology with a centralised mechanism for creating and managing websites, webpages, sections, and components. The list of websites/portals/microsites is as per Annexure – A. The scope covers:

2.1.1 FMS and Development of Websites & Portals

- Study, enhancement, operations, and maintenance of all websites and portals on WebMyWay platform including the WebMyWay admin.
- Maintenance and enhancement of Mobile Apps developed on WebMyWay platform (e.g., Sujas App).
- New website creation — template design, departmental websites, web-application development, API integration, and development of new web content as per requirements and approvals.
- Development of APIs as per requirements and approvals.
- Regular health monitoring of servers.
- Maintaining code repository, creation of builds, and code deployment on servers.
- Integration with various portals, web applications, and gateways.
- Static code review and production log analysis with reporting and recommended corrective measures.
- System monitoring, configuration, code changes, testing, and deployment.
- Designing templates, managing content, and developing custom components in existing and new portals/websites.
- Preparation of detailed release notes for each software release.
- Ensuring timely implementation as per prescribed project timelines.
- Providing required training to stakeholders on website creation, content updation, and webpage addition.
- The selected firm shall, as and when required by RISL, upgrade, modify, optimize, or reconfigure the source code, application framework, configuration, libraries, database, and other software components of the WebMyWay platform to the latest or any desired stable version to improve application performance, enhance security, ensure compatibility with updated infrastructure and technologies, address functional or technical issues, implement best practices, and maintain the platform in a robust, scalable, secure, and efficient manner.

2.1.2 Configuration & Version Control

- Adherence to the configuration management process defined in conjunction with RISL.
- Setting up a staging environment at RISL; ensuring testing on staging before production deployment.
- Ensuring production environment is backed up before components are copied to production.
- Maintaining proper versions of Development, Staging, and Production environments with backups before any update.

2.1.3 Source Code Repository Management

- Maintaining complete source code in a secure, version-controlled repository (e.g., TFS) hosted at BSDC/RSDC servers as directed by RISL.
- Ensuring the latest stable codebase, all scripts, configuration files, documentation, and dependencies are properly structured and stored.
- Maintaining version history and commit logs for traceability; providing repository access to authorized RISL/DoIT&C personnel.
- Proactively monitoring and assessing infrastructure requirements; informing RISL in advance about upgradation or procurement needs.

2.2 AEM Platform — FMS & Maintenance

The AEM platform is an enterprise web content management system hosting 65+ portals, websites, and microsites. The list of websites/portals/microsites is as per Annexure – B. The scope of the maintenance of the Website and Portals covers:

2.2.1 FMS of Existing AEM Websites/Portals

- Making necessary improvements to existing layout, user interface, colour scheme, MIS report formats, input forms, bug fixing, and workflow corrections at no extra cost to RISL.
- Developing new websites and microsites under administrative department portals as per department requirements.
- Studying and analysing the existing AEM solution and documenting: Architecture of AEM components (Component, IP, Server details); Deployment process and patterns; List of web portals and related microsites.
- Regular health monitoring of Linux/Windows servers and all AEM components.
- Carrying out preventive maintenance of servers and associated components.
- Coordinating with RISL for modification and deployment of code.
- Assisting in regular backups of repositories on a periodic basis.
- Maintaining code repository, creation of builds, and code deployment on servers.
- Submitting monthly status reports highlighting daily activities performed.
- Performance management and tuning of released versions; documenting all changes in Performance Tuning Reports.
- If AEM version upgradation is decided/directed, implementation of all upgrades shall be within the scope.

2.2.2 AEM Server Maintenance

- Implementing continuous monitoring of server performance including CPU, memory, disk usage, and network health.
- Setting up automated server health dashboards to monitor: Author/publish node status; Dispatcher caching; Disk usage, memory leaks, and CPU utilization.
- Proactively managing log rotation, JVM tuning, and AEM garbage collection routines; applying hotfixes and cumulative updates.
- Conducting routine maintenance for AEM author and publish instances; applying patches and upgrades to the AEM stack and all associated software dependencies.
- Backup & Disaster Recovery — setting up automated backup solutions; developing, testing, and maintaining disaster recovery procedures aligned with RTO/RPO requirements.
- Security Management — implementing security best practices; regular patching and hardening of OS and middleware; monitoring and responding to security alerts.

- Database Maintenance — regular maintenance, performance tuning, indexing, and managing backup/recovery procedures for databases associated with the AEM environment.
- Configuration & Environment Management — maintaining server configurations per AEM best practices; version control for configuration and infrastructure changes with rollback capabilities.
- Documentation & Reporting — detailed documentation of maintenance activities, incident reports, system configurations, and regular performance/security reports.

2.2.4 Source Code & Version Control (AEM)

- Adherence to configuration management process defined in conjunction with RISL.
- Setting up a staging environment at RISL for AEM websites and components.
- Maintaining proper versions of Development, Release-to-Staging, and Release-to-Production environments.
- Maintaining complete source code in a secure, version-controlled repository hosted at BSDC/RSDC as directed by RISL.

2.3 Common Activities — Both Platforms

2.3.1 Incident Management & Troubleshooting

- Providing 24/7 support for critical issues and emergencies, following a structured incident management process.
- Conducting root cause analysis (RCA) for recurring issues and implementing permanent fixes.
- Documenting and reporting incidents and resolutions, ensuring knowledge transfer for future reference.

2.3.2 Training on Portal

- Ensuring all documentation is in place including user training materials and operation procedures.
- Providing proper hands-on training to designated end-users on the portal through multiple sessions as required.
- Providing a Help/Training module, visual help kit/videos downloadable by end-users of the portal as and when required.
- Providing training for new modules and enhanced functionalities to officials selected by RISL/User Department.
- Providing onsite or offsite Trainers as required, with at least 4–7 days advance notice.
- Preparing Training Manuals for all modules and updating them monthly with enhancements.
- Supporting RISL for VC/training sessions scheduled for stakeholders at various levels.
- Training locations, batch size, mode (Onsite/Offsite), and duration to be decided with the User Department.

2.3.3 Application Support & Bug Fixing

- Resolving bugs reported by end users or departments; creating patches, testing, and releasing as per release management procedures.
- Periodic log checks and code optimization for performance issues.
- Ensuring Safe-to-Host Certification from a Cert-in empanelled third-party firm. RISL will coordinate and bear the audit cost; the bidder is responsible for timely mitigation of all vulnerabilities.

2.4.4 Security & Compliance

- Carrying out code changes for OWASP compliance and other security requirements per government guidelines, including security audits and obtaining Safe-to-Host certification.
- Carrying out changes to meet GIGW, WCAG, and SEO optimization guidelines as highlighted by RISL.

2.4.5. Maintaining proper versions of the following:

1. Development environment
2. Release to staging environment
3. Release to production environment.
4. Maintain the backup of these environments.

3. Resource Requirement

General Note: New changes/enhancements are not covered under the above service levels. Maximum penalty in any quarter shall not exceed 20% of total due payments for that quarter. RISL reserves the right to terminate the work order without any liability in case of unsatisfactory performance.

6.3 Penalties for Deployed Resources

Penalty for Non-Availability of deployed Personnel/Resources/Manpower shall be as per T&C for Manpower mentioned in the Administrative Order Ref. No. F4.15(07)/RISL/Tech/2024/132 dated 03.04.2025.

7. Evaluation Criteria

Bids will be evaluated based on **Least Cost Based Selection (LCBS)**.

8. Source Code and Intellectual Property Rights (IPR)

- a. The selected bidder shall not own any raw data/ intermediate data/ finished product/ customized solution/ initial, source code, intermediate & final reports etc. generated as part of this project. All such data / information should be transferred to RISL by not keeping any copy of such data / information with the successful bidder at the time of exiting the project or as desired by the Department.
- b. Intellectual Property Rights (IPR) of all the deliverables, including data captured, source code, intermediate data, all information pertaining to customized development of application / software component etc., shall remain with RISL.
- c. The bidder shall not use the code, raw data, processed data, or any part of the deliverables for its own personal or professional purposes, including but not limited to reuse, replication, analysis, commercial exploitation, or sharing with third parties, under any circumstances.
- d. Any breach of trust/ source code/ IPR during the project may lead to termination of the project and necessary action/ legal proceeding as deemed fit by RISL.
- e. This is also applicable on the resources deployed by the firm at RISL.

9. Financial Bid

The financial bid shall be lump-sum for the entire project, calculated on the basis of manpower efforts required as per the scope of work (including onsite and offshore team). The work is in project mode. All terms and conditions shall be as per the Administrative Order of the empanelment.
