3	PQ-List Point 2	1. Invitation for bid (IFB) & Notice Inviting Tender (Please refer Table therein) 8) Bid Security	Pre-Qualification/Eligibility Criteria	It was mentioned that the startup needs to have DIPP recognition as well as an iStart Registration Number & Card, but if I am registering myself and registration address is from another state then the system is not processing the application so I think we cannot get the iStart Registration Number & Card. My Skrillo Global Technologies (OPC) Private Limited is an ISO 9001:2015 certified, DIPP recognized IT consulting organization, having partnership with Microsoft and Webworks and Mag-tech, has been providing I.T. services to very many National / International Clients and focused in developing G2B and G2C Applications.
