

Gehlot inaugurates 3-day IT fest in Jaipur

Jaipur: Rajasthan Chief Minister Ashok Gehlot on Sunday evening flagged off Tech-Rush run on JLN Road here to mark the beginning of a three-day IT festival.

Gehlot also inspected a smart village exhibition held at Jawahar Kala Kendra and interacted with the participants.

The CM told reporters after the programme that Rajasthan is moving ahead in delivering IT-based services. He said during his earlier term, the government had earmarked 3 per cent of the budget for IT-based services which

has delivered exciting results.

Various events will be held at Rajasthan College, Commerce College and Jawahar Kala Kendra during the three-day festival from March 19 to 21. The state government is hosting Rajasthan IT Day on March 19-21 in Jaipur "to celebrate the spirit of entrepreneurship and youth".

A job fair will also be organised on the premises of Commerce College in which more than 400 companies will take part to give employment offers to youth.
